SHANGHAI MUNICIPAL POLICE
C. & P. REGISTRY.

No. D 4445

Date 16-1-33

Rebureau 14-1-33

Subject (in full) Football Clubs, Students' Unions, etc. which are reputed to contain radical elements or have leanings towards communism.

Made by D. S. I. Golder

Forwarded by Mr. Robertson Super

Attached to
D4238

With reference to the instructions of the Officer i/c Special Branch dated January 1, 1933, attached. In this connection, I have to report that the data supplied in connection with the abovementioned subject has proved of little or no value.

A general review of the subject has been made and has resulted in the following organizations, etc. being listed as the most likely to contain "red" or radical elements :-

1. Postal Workers' Club, No.230 Range Road.
2. Pootung B.A.Y. Workers' Union - now known as the 5th District Tobacco Factory Workers' Union, No.78 Lan Hui Doo (源匯渡), Pootung.
3. Mantao Tramway Workers' Union, known as the 1st District Water & Electricity Workers' Union, No.231 Kuo Hu Road (國貨路), Mantao.
4. The Great China University, Chung San Road, Western District.
5. Chinan University, Chenju.
6. HanYang Brothers Workers, various internal organizations.
7. Futan University, Kiangwan.

Although present conditions in these organizations and institutions may be defined as normal, it only requires some minor incident or so-called patriotic movement to give their radical members grounds for renewing their activities.

In addition to the foregoing, troublesome elements are to be found among ex-workers of the Shanghai Press and the Sun Tse Kung Hsiang.
